Note:

During the Advanced Standing Orientation and Concentration meeting, Advanced Standing students will receive information on all concentrations and graduate certificates to help inform their choice(s) for their second year program of study. This meeting is held in January preceding their beginning semester.

Students must complete a minimum of 45 credit hours to graduate. Students must also take a Practice class outside their concentration either fall or spring semester in addition to their required concentration courses.

Students must receive a grade of C+ or better in all required classes to go on to the next class in any sequential series of classes (e.g.SW 6401/6402) and must maintain a cumulative 3.0 GPA in order to be in good academic standing.
