*Practicum Note: Students completing the JD/MSW dual degree may elect to do either their first or second year MSW practicum in coordination with a law clinic class. This option must meet all requirements for the law school clinic class and the MSW field placement. Students interested in this option should meet with the advisors in both programs early in their first or third year of study to allow time for this arrangement to be in place for the second or fourth (MSW) year of study.

Students must receive a grade of “B” or better in all required classes to go on to the next class in any sequential series of classes (e.g. SW 6001/6002, SW 6140 /6240, and SW 6120/6220) and must maintain a cumulative 3.0 GPA in order to be in good academic standing.
