Name: _____ uNID: _____ Advisor: _____

Check one: Degree Seeking Professional Non-Credit

It is **ultimately the student's responsibility** to ensure that certificate and licensure requirements are met. Your academic advisor is available to help you. Students are encouraged to meet with their advisor once per semester to ensure that you are on track. All Substance Use Disorder Training Certificate program students must earn a C- or better in all required courses. Professional non-credit courses must be passed satisfactorily.

Eligibility: Associate or bachelor's degree completed or in progress at time of application.

Prerequisites:

- Human Behavior in the Social Environment OR Lifespan Human Development
- General Psychology

SUDC Track Required Courses:

Courses for Professional Non-credit seeking students begin with "SWC."

- SW 2715/SWC 715 Dynamics of Addiction (Fall, Spring)
