3. AGENCY MISSION

Brighton Recovery Center is dedicated to providing world-class, personalized treatment to people who suffer from the disease of addiction and co-occurring mental health disorders. We provide treatment that consists of a multi-faceted approach individualizing patient care around the physical, emotional, behavioral, spiritual, intellectual, and interpersonal challenges so commonly exhibited in the process of becoming addicted. We treat our patients and their families in an environment that promotes healing, strength, dignity and hope. The experienced and specialized staff at Brighton Recovery Center is committed to providing care that exemplifies professionalism and best practices.

Brighton Community Center is built upon a simple yet profound and healing concept: connection. Brighton Community Center will provide a space where residents will be connected to resources, receive top-notch, evidenced-based clinical care, and begin to lay the foundation for a new and exciting life.
