- ❖ Summit Academy is a public charter school with a mission to provide a rigorous educational environment based on the principles of high academic achievement and specialized instruction for the benefit of all students.
- ❖ We serve public education students in grades K-12.
- ❖ An MSW student placed at Summit Academy may have the opportunity to learn:
 - ❖ Crisis intervention, suicide assessment, individual, family, and group therapy, facilitation of psycho-education, administrative projects, special education (IEP and 504), and school and community climate change.
- ❖ There is quite a bit of flexibility in the scheduling of practicum hours at Summit Academy. Our various schools' hours are generally 8-3ish (this school year has had a reduced schedule due to COVID-19). We have a social work meeting on Monday's that we ask all special education social workers to attend.
- ❖ We love to have students who bring differing perspectives to the table and who can speak to that perspective with our teachers and administration whenever the opportunity arises.
- ❖ We will likely have 1 or 2 positions open for MSW students next year and more available to BSW students. Unfortunately, for the 2021-2022 school year, we will not have a stipend available.
- ❖ We invite any interested students to talk with us, take a tour of our school(s), or ask any questions. Feel free to contact Kimberly Nielsen at: Kimberly.Nielsen@summitacademyschools.org
- ❖ An interview and background check are required prior to any placement agreement being signed.
