About At The Crossroads

At the Crossroads is a young adult transitional living program based in St. George, UT providing coaching, therapeutic support and real life experiences for young adult men and women struggling to launch from their primary support systems. Although there is variance with the underlying diagnostic indicators that bring a young adult to ATC and the subsequent treatment planning and solutions necessary during their course of treatment; the inability to develop healthy individuation is at the common root among all students.

The Internship

Job Description
Therapist interns at ATC will be expected to perform a variety of professional, clinical and outpatient psychotherapy duties related to providing mental health / substance abuse program services to individuals, groups and families. Interns will also conduct educational exercises for individuals, groups or organizations. Interns may also be assigned to provide initial assessment of non-ATC clients, emergencies, etc.

Minimum Qualifications
Masters of Social Work and working towards an LCSW.

Supervision
Interns will work under supervision of a LCSW as well as our Clinical Director.

Length
The internship will begin ideally no later than August 1, 2016 and last 6 to 12 months.

Compensation
Pay will begin at $28/hr.

To apply, send your resume and a brief introduction to Ryan Forbes at ryan@guidingyouth.com.
